GETTING TO KNOW YOU

by Amy Newman

John & JoEllen Wuerzburger are a delightful addition to VPE having purchased their home at 2120 Palazza from Perry and Essie White in September of 2021. As so many do, the couple was cruising through the park while on vacation at Siesta Key and went into the clubhouse to inquire as to any homes for sale. It just so happened that a board meeting was in progress and they were greeted and shared their phone number with a homeowner here who over subsequent months kept them apprised of homes for sale. The White's home was the perfect fit and they are happy to be recently retired snowbirds hailing from Milan, Illinois.

John is from Moline, Illinois and is a middle child of three. He worked as an electrician, and then a test engineer for 16 years with Maytag and 16 years with John Deere as a quality engineer from where he retired. JoEllen is from Rock Island, Illinois and is the youngest of a family of five. She spent 14 years as a grant and contract accountant and later CFO at a local community mental health center. JoEllen then worked 23 years for Deere & Company as an accountant/financial analyst. They have 6 children between them and 13 grandchildren, all living pretty local to them in Illinois and Iowa. They also have a fur baby, Princess Libby, who is five years old.

One would assume their love story would begin with meeting at John Deere but not so; it happened on cupid.com. As they were getting acquainted online and JoEllen had shared with John that she worked for the green and yellow company, he was excited to learn that they worked at the same company. It turned out, too, they attended the same high school and John had dated JoEllen's best friend and connected the dots that her unusual name had to be the same girl from many years before.

They actually had their wedding ceremony and reception in Sarasota and have now been married 10 years. Their time is spent going to the gym, doing water aerobics, enjoying their new E-bikes, and swimming laps at home in their pool in Illinois. Additionally, they volunteer at their church, babysit their grandkids, and do projects for their kids, with both John and JoEllen being mechanically inclined.

They have happy memories of a trip to Germany, Austria, Italy, and Switzerland and another trip to London, then Rome, including the Vatican.

They are pleased to be residents of VPE and appreciate the welcome and kindness from many of their neighbors on Palazza. All of the park's residents would benefit from meeting and getting to know John and JoEllen.

John & JoEllen Wuerzburger

NEWS FROM YOUR ACTIVITIES COMMITTEE

By Gina Miller

Greetings VPE friends and neighbors! I've been out of the VPE loop for a couple of months. But don't worry about us, even though we miss you all, we are thoroughly enjoying our time here in IN at the campground on Crooked Lake. We live about

a quarter mile from Mom and Lee so it makes it easy to go help with appointments and just to visit. We are enjoying the weather here as well. It has been so much cooler than usual for most of the summer! Paul has made loads of new friends at the campground and goes in the lake almost every day. I know that you haven't had too many planned activities this summer but we hope you enjoyed your summer. I know you enjoyed a Memorial Day Picnic led by Diane McElhaney but I don't know who her helpers were. Thanks to all who helped make it a fun time! There was a 4th of July celebratory picnic and bike parade led by Bobbi Clay, Doreen Moser and Pat Morales and more? Thanks for getting the party started! I know you've had several coffee hours thanks to many volunteers. The first REALLY big activity this fall will be the annual Halloween Party/Dance/charity drive/pumpkin contest and costume judging. AND WE'LL HAVE DINNER!

Enjoy your coffees, play some games, get together and socialize. Get ready for lots of fun activities this coming season. Take care of yourselves and your friends and neighbors. Stay cool. We'll see you at the end of September.

FOURTH OF JULY FUN

Here's to the organizers and participants . The holiday ride and get together always brings smiles to those of us near and far.

LADIES BIBLE STUDY

SUNSHINE NEWS

Pat Click died unexpectedly on July 16 after a short illness. His wife Anne told us in her FB post to us,

"Today Pat joined the choir of angels". Sincerest condolences to her and their family. The funeral took place in their

hometown in Michigan. Several of you were there to say farewell to Pat. Anne had hugs for all.

Messages of sympathy to Anne and their children; Jeffery, Ryan, Hilary, may be sent:

A note to all from Anne. "My family and I appreciated all the kind words and cards during Pat's hospitalization and death. He truly had a life well lived with much of it at VPE."

The Gondolier visited the Hoover Dam this summer. Truly a great human engineering feat. It is 726 feet high, weighs 6.6 million tons, built from 1931-1935. Water flow is 118,000 cubic ft per second. It supplies electricity to CA, NV, AZ. Supplies water to CO, WY, NM, UT, AZ, NV, CA, a portion of Mexico. That's the Colorado River and (low) water.

Mike O'Callaghan-Pat Tillman Memorial Bridge spans NV & AZ. Colorado River below.

RECIPE OF THE MONTH

by Cheryl Smith

This month I wanted to do something with sweet corn, especially because fresh sweet corn is at its peak up here in the north. This recipe is so easy to make and so good people always ask for the recipe. (2 diced jalapeño peppers can be substituted for the chilies.)

Baked Creamed Corn With Red Peppers and Green Chilies

- 8 ears fresh sweet corn, husked
- 2 red bell peppers, diced
- 4-6 oz. green chilies, diced
- 1 cup heavy cream
- 2 t. salt
- Pepper
- 1 stick butter, cut into pieces

Preheat the oven to 350 degrees. Slice the corn kernels off the cob. Turn the knife to the dull side and scrape the cob all the way down to get all the bits of kernel and the creamy milk.

Add the red peppers, chilies, cream, salt, generous amount of pepper and the butter and mix together. Pour into a 9 x 13 inch baking dish. Bake until hot and bubbly, 45 to 55 minutes.

THOUGHTS ON LABOR DAY 2022

by Cassie Dionne

Travels this summer brought this author 2000 miles by auto from Florida to east coast states, across the Tri-state area, the midwestern states, the west, borderlands (Montana along the Canadian border), southwest, south, and home again. An incredible privilege with many memorable moments. This amazing country is full of amazing people who are preparing to celebrate Labor Day. We say thank you to all of those workers in our midst.

Travel reminds me that what we experience is more true than what we see on tv.

People are kinder than you think. They love their families, towns, country. They work hard for the lives they want. Salute to the farmers and ranchers who grow the food; the truck and train and ship drivers who move it. The service people in offices, churches, restaurants, stores, hotels, gas stations who make our lives easier. Our men and women in the armed forces, law enforcement, hospital workers, airport attendants, first responders. Each person contributes to the well being of others; we remember them too.

To those who care for the young and the old among us. Mothers, fathers, grandparents, aunts, uncles, cousins whom we love. Retirees who look back on jobs well done.

HAPPY LABOR DAY

FROM THE OFFICE:

Dear Resident:

At some point you may have a sink or toilet blockage. If possible, please call the office before you engage a plumber. In the past, VPE has been charged \$350 for video inspections. VPE has purchased a drainage camera to inspect such problems and avoid such costs. Unless it is an emergency, you may be liable for those charges.
