GETTING TO KNOW

YOU

by Amy Newman

Pat Waites, of 2156 Gondola, originally from Cleveland, Ohio, has lived in VPE since 2014. Pat and her husband wintered for a number of years in the Ellenton area. After her husband of 39 years died in 2004, she felt an even stronger desire to make Florida her home as her son and family lived nearby. She has always enjoyed being a grandmother and wears a necklace with the initials of her seven grandchildren and two great grandchildren's in its design (as pictured). She has three sons and when they were growing up she would work part-time to keep her sanity! Her favorite position was as a church secretary. She continues to work part-time as often work presents itself without even looking, including caring for the elderly in their homes.

Her interests are many including a passion for pickleball which she has played for 7 years, walking, orchids, Turtle Patrol for Mote marine in the past, and writing poetry. She is awestruck when watching the planets on her son's telescope in

Ohio and likes to do so here also but the mosquitoes are an intrusion to that enjoyment! A humorous nature story a couple of years ago involved her son and family who returned home from visiting Pat and discovered a lizard had joined them. They named him Stuey and set him up in an aquarium. When Pat visited her son next she flew Stuey back home with her, the TSA agent even took a picture with Stuey, and Pat then she released him back into the park!

Crafting is another hobby in which she excels, with resin art being her current interest (as pictured).

This busy renaissance lady has a strong faith and enjoys attending her church's gospel music sing-along on Venice Beach which can draw up to 1,000 people. Small, but very mighty, Pat is delightful to get to know with her many and varied interests.

EVERYBODY'S MOM

By Phyliss Parsons Correia

Merle Carey was born in Bethlehem NH, a middle daughter to working parents. She loved skiing and following her father who was the town's plumber and learning plumbing skills that would amaze me. She chose Plymouth Teacher's College in the same named town. Her roommate became her best friend for her whole life.

She taught, and married John Parsons, a WWII Navy diver and moved to Mass. where her first born, a daughter was born followed 2 and 3 years later by boys. She returned to teaching when her boys entered school. She taught 6th grade and eventually became a reading and testing specialist. (BTW, she was known as "Sarge" by her colleagues, and kids marched in step with her reputation.)

Sometime in the interim, she divorced and spent vacation times with her roommate's family visiting NH often. Her roommate died of cancer, devastating her. However, it turns out their 51 years of friendship united her with her roommate's husband and she became his wife.

Finding a FL winter home at VPE allowed them to buy their house across from the Sampsons who were already friends. At VPE her pleasure was cards, cards and more cards with the gang in the neighborhood. Her dry humor will be remembered by Bingo-ers. She was a wonderful woman who passed away at 94 in 2015.

July 2023 **Some of the Eucure** card players will be interested to know that Chuck Loolen has had a heart attack and he fell and hurt his knees. He is in rehab now but they are still planning to come to Florida in November. I'm sure he would appreciate a card from their VPE friends and family. In case you want to call him the phone number is **419-577-1667**. The address to send a note or card is:

1727 S. Morningside Drive
Port Clinton, Ohio 43452

August 2023 UPDATE: Chuck is home and out of rehab. He still continues to do therapy. They are still planning to join their VPE family in September.

Respectively submitted by

Len Pagano and Bonnie & Greg Ryan.

Sue Loolen wishes to thank everyone for their prayers and cards.

ACTIVITY COMMITTEE

by Deb Cinco

Hello everyone, summer is well on it's way. This has been a hot one and not a lot of rain so far. We had a great 4th of July. There were 9 bikes and 1 golf cart in the parade. Prizes were given out to Jan Coble for being shuttle service and leader of our parade, also for the bikes decorations were Barb Moore, Len Pagano, Betsy Fisher, and Jimmy Neuman. Thanks go out to Pedro for cooking the best hot dogs. As usual many jumped in to help clean up. We have such a great group here at VPE. The next Activity Meeting is 10/11/23.

RECIPE OF THE MONTH

by Cheryl Smith

This month's recipe might sound a little weird to some of you but every time I take it somewhere I am always asked for the recipe.

It is hard to stop eating it! It is easy and fast to make and would be perfect for a Labor Day gathering or game day snack.

Fried Pickle Dip

- 12 oz cream cheese, room temperature
- ½ C. sour cream
- ½ C. mayo
- ¾ C. cheddar cheese, shredded
- ½ t. garlic powder
- 1 t. red pepper flakes
- 1 t. dried dill
- 1 C. dill pickles, chopped
- ¼ C. panko or breadcrumbs
- Chips, baguette pieces or veggies for serving

Combine cream cheese, sour cream, mayo, cheddar cheese, garlic powder, red pepper flakes and dill. Add the pickles to the mixture and stir until combined evenly. Transfer to a greased 8-inch baking dish and top with panko. Bake in a preheated 375 degree oven for 30 minutes or until fully melted and browned on top. Serve warm.

CORNHOLE GAMES

If you are wanting to play Cornhole and are not sure how to find where the VPE Park

Cornhole sets are being stored... we have you covered.

The park has two sets being stored in a 'Rubbermaid' type of plastic container located directly behind the VPE Event Center ("clubhouse").

The container is accessible by the gate between the shuffleboard courts and womens restroom.

There are two sets of; Boards, Bags, and Scoring magnets each in their own containers.

ENJOY!!

ps: please use at the public areas near the pool, not for private use in homes.

Dear Resident,

Two men wearing official-looking lanyards came to the office this morning. They said they represented Project H.O.P.E. They said they wanted to reach out to people recovering from Hurricane Ian and connect them with FEMA.

I called Project H.O.P.E. at their Washington, D.C. office. If these men come to you and say they represent Project H.O.P.E., they are scamming you. Their business card may say "lightshare... Behavioral Wellness & Recovery".
