## **GETTING TO KNOW**

### **YOU**

by Amy Newman

The mother-daughter duo of Barb Moore and Deb Cinco, residing at 2278 Palazza, are an energetic fun-loving pair. They moved to VPE in 2021 from NE Ohio, having purchased their home from Robyn Hogan.

A playful nonagenarian, Barb calls Texas home where she was born and raised. That all changed when she met her husband on a blind date and eventually settled in the Ashtabula, Ohio area. Barb and her husband were married 63 years and raised four children. She has 14 grandchildren and 27 great grandchildren at last count! She was employed in a bank and was an office manager in addition to having a farm including an arbor of grapes. Barb says she prefers Texas to Florida as Texas has cactus and Florida has equally prolific alligators, yet she prefers the toothless cactus!

Daughter Deb was born and raised in NE Ohio, just a few miles from the Pennsylvania border. Deb went to high school with her future husband who was a friend of her former boyfriend. She and her husband bought their farm from her parents and called it a "farm-ette" as they "only" had 28 acres of corn. It was primarily an animal-raising and butchering farm with dozens of pigs, goats, cows, chickens, sheep and lambs as well as a large garden. Her four kids were involved with the farm and all of the animals. One time when the kids were young and while harvesting corn, one of the kids went missing and was found to be asleep in the corn crib; thankfully, she was found in time! In addition to farm life, Deb worked in a nuclear power plant and then many years in a supervisory role at a Flying J gas station. After Deb's husband Jim died in 2019 and at the invitation of her sister

for mom and Deb to move nearby in Sarasota, she sold the farm which included three auctions and a house sale.

Here at VPE Deb participates in both water aerobics and Sis' aerobics, bingo, and has always loved gardening. She is the Chairman of the park's Activities Committee. With what little free time she squeezes out, she enjoys slot machines at local social clubs. As full-timers at VPE, Barb and Deb add vitality and boundless energy to our community.

## ACTIVITIES REPORT

*by Jan Coble*

Hi Neighbors!

Not a lot of activities to report in the summer months. I am excited to see so many people at the Coffee Hours...more than I've seen in Summers' past. Bonnie and Greg Ryan gave our hurricane awareness coffee and provided us with so much information just in time for Hurricane Idalia. We were blessed once again with minimal damage, and as families do, most rallied together to make sure everyone was safe.

We are getting more and more participation at Water Aerobics. Come join us.

Pat Morales is doing the Book/Holiday Decoration sale. By the time you read this, the sale will be over, results to follow.

We will be welcoming our Neighbors from the North soon and more exciting activities are on the way.

Join us for the next Activities Committee meeting on October 11, 2023.

## BINGO!!

Hey friends! The Activities Committee is looking for someone to take over the running of our Bingo nights. Bonni Andrews will be happy to teach you everything you need to know. There are several people who are willing to help so you won't have to look for callers or people to sell the tickets or call numbers back. Think about volunteering so that we can continue our Bingo tradition and all enjoy a fun night out. Let someone on the Activities committee know you are interested and willing. There is a list of the Activities Committee in the Gondolier.

## **EVERYBODY'S MOM**

By Tracey Ruff

Hi VPE, My name is Tracey and my parents are Jay and Bonni Andrews, 23 year residents. Prior to my parents, my grandparents Jim and Toots Andrews resided at VPE for 20+ years. We have been coming to this amazing place since 1981. Our parents grew up in New York, moved to Jersey where they raised their 3 children, Jay, Tracey and Danielle. They currently have 7 grandkids and 8 great grandkids.

Our parents love to dance, meet new people, help others and spend as much time as they can with family and friends.

Our parents taught us to be kind, thoughtful and respectful. Treat others the way you want to be treated. If you want something you earn it/work for it.

Being raised by Jay and Bonni was the best, so many laughing memories. The car trip vacations driving to Virginia to see the beaches and wild horses. Wild horses you say, nah we were only greeted by wild mosquitoes. Our first trip to Florida, you stop to rest for the night. Parents exhausted, kids not so much. My brother putting the Bible in the back of his jammies because we were in trouble. So funny! Trip to Hershey Park in a pinto where your sister Danielle tells you to be quiet, you don't listen and bam goes the huge souvenir lollipop over your head. Picked candy out of the Pinto for years. Back yard parties that were DJ'd by none other than our dad, your park DJ. Music trivia, Name That Tune, Jay is your guy, pick him for your team. Wanna play Bingo or go to the slots, Bonni is your girl. Don't forget their pasttime favorites, fishing for Dad, reading for Mom and dancing together for the last 58 years. (Life goals.)

Mom and Dad you are by far the best ever. You are loved more than you know. Keep being you and live life to the fullest, and keep laughing.

Love, your children

## **THANK YOU CORNER**

A great big thank you to all of the volunteers who kept the Park running smoothly over the summer. It takes many to help with the activities, to open and close the pool, buy the kitchen supplies and put on the coffees.

We are thankful that we were left relatively unscathed by Hurricane Idalia. Thanks to Pat McGee and her crew of volunteers for cleaning up the pool area afterward. And to the volunteers who help everyone batten down the hatches readying the Park for the storm.

Also, a big Thank You to Pat Morales and her crew of volunteers for having a sale in Sept. The sales are our primary source of income for activities so all of you who donate and help with the sale are really appreciated.

## **SUNSHINE REPORT**

By Gina Miller

We are saddened to report that we lost another great lady in our park. Judy Weber passed away on September 2nd. She was always willing to help her neighbors and family. She will be missed by many. Condolences to her family.

Another sad loss to our community was Jackie Walker. Jackie was the wife of Roy and the mother to Brian Walker and Terry Deer. She was always smiling and friendly. She will be missed! Our sympathies to all her family and friends.

Former longtime resident, Lee Kluge has also passed. She was well loved and will be well missed. She was a sweet lady that loved to laugh, party and enjoyed life until she was almost 100 years old.

Tracy Clay is in Sarasota Memorial Hospital and needs our prayers. Bobbi has Covid at the present time and can't visit him. Sending prayers for both!

## **RECIPE OF THE MONTH**

by Cheryl Smith

This corn chowder is a hearty soup great for fall weather. Up north, we can use the last of the fresh sweet corn. Pair it with a Caesar salad and some cheddar bay biscuits for a perfect football-watching meal. I find this chowder is even better the next day so I make it a day ahead.

### **Bacon Corn Chowder**

5 slices thick-cut bacon, diced into small pieces  
 5 C. chicken stock  
 1 small onion, diced  
 2 cloves garlic, finely diced  
 8 cobs of fresh sweet corn  
 (this recipe is not for frozen or canned corn)  
 1/3 C. flour  
 1 1/2 # Yukon gold or red potatoes, diced into 1/2" pieces  
 1/2 t. dried thyme  
 2 bay leaves (optional)  
 1 1/2 C. heavy cream  
 Salt and pepper to taste

Cook the bacon until crisp. Add the onions to the pot of bacon and grease and sauté until soft. Add the garlic and stir for 30 seconds.

Stir in the flour, coating all the bacon and onion pieces. Cook about a minute until the flour begins to brown. It will be very thick. Now gradually pour in the chicken stock, a little at a time, while whisking continuously. When the chicken stock is all mixed in, add the potatoes, corn, thyme and bay leaves. Bring to a boil, then reduce to a simmer for 20-30 minutes or until the potatoes are of desired softness. Stir in the cream and heat through. Season with salt and pepper.

Dear Resident,

Two men wearing official-looking lanyards came to the office this morning. They said they represented Project H.O.P.E. They said they wanted to reach out to people recovering from Hurricane Ian and connect them with FEMA.

I called Project H.O.P.E. at their Washington, D.C. office. If these men come to you and say they represent Project H.O.P.E., they are scamming you. Their business card may say "lightshare... Behavioral Wellness & Recovery".
