# CALL FOR VOLUNTEERS

Dear Residents,

There are many nights that anyone traveling on Tamiami Trail can simply walk into our Clubhouse. The doors are unlocked. Maybe they just want to look around, get out of the weather, or just use the bathroom. Or, may-be they'll borrow our television, one or two kitchen appliances, and then vandalize the building. Deb Cinco, Pat Morales and Gary Longto have volunteered to lock up the Clubhouse at night...but, PLEASE, if it's 8 p.m.or later in the evening, and you or your group are the last one to use the Clubhouse, LOCK IT UP!

Your neighbor Deb Cinco has generously volunteered her time to lock up the Clubhouse on weekends. However, Deb will be gone during July and August, and we haven't found a **volunteer(s) who would lock** the Clubhouse during week days. I know you're out there somewhere!

During the week, our Maintenance Manager, Dwayne, opens the Club-house. We need a **volunteer(s) to open** the Clubhouse on weekends.

## FROM THE OFFICE:

To ensure that essential paperwork can be completed without interruptions, the VPE Office will close daily at noon. This adjustment may cause some inconvenience, but please know that it is essential for the smooth functioning of our operation. I appreciate your understanding and cooperation in this matter. If you have any urgent matters that need attention, please don't hesitate to reach out to me before noon.

Thank you,

# GOLF 2024

by Jim Tomes

Another great golf season has ended. We had over 20 golfers that played on Tuesday mornings from the beginning of January to the end of March. Golfers of all skill levels enjoyed golfing with friends and neighbours from the park. Making new and reuniting with old friends that they hadn't seen since last season. The year ended with our traditional scramble where everyone teed off and then the team decided which ball to all hit from next. The best team for the scramble was Ron Trumbull's (**Ron Trumbull, Larry Dunn, and Allen Largent**).

The closest to the hole from the tee was **Betty Trumbull** (She hit the ball off the 7th tee over the water within 10 feet of the pin). Great shot Betty! Next, the longest putt into the hole was from **Allen Largent** at 22 feet. That's almost as wide as some of the double wides in the park! That was an amazing putt!

Finally, the trophy for **Lowest Score** this year was Mike Anderson who recorded a score of 33 (4 over par) on January 9. Very impressive Mike!

The **Most Improved over** last year's average was **Allan Alexander**. Way to go Allan!

**Thanks everyone for a great year of golf and camaraderie! Just a reminder that our next nine hole tee time is on January 7, 2025 at 10 am at the Village Green Golf Course. Sign up at the VPE clubhouse from 9 to 9:15 am. As always, everyone is invited to join in on the fun!**

**WANTED:**  
**EDITOR FOR THE GONDOLIER**

After nearly 3 years, I am stepping down as editor. It has been my pleasure acting in this role. I have met so many of you. This was an opportunity to be creative and to stretch my knowledge as I learned how to put together drafts to be published. I know there are others of you who can fill this role. It isn't difficult; the publisher finds the ads, collates and prints and delivers the finished newsletter to us. They also send the online issue to our webmaster. We have faithful contributors who send in their articles to me every month. We are always looking for more content. Do you have a story to tell or tips to share?

I will be continuing until October 2024 with the November issue as my final one. Please contact me if you have an interest in continuing the newsletter. It takes approx 10-15 hours per month to collect the articles and form them and photos into a draft for the publisher, who then sends a proof for review before printing. It's all done online. You can contact me, Cassie Dionne, at 603-361-4313. I am unavailable 5/20/24-6/20/24

## CALL FOR VOLUNTEERS

Volunteers are the lifeblood of our organization. They provide insights, energy, and leadership to our Board of Directors and Committees. Please consider becoming a member of our Board of Directors and Committees now.

## RECIPE OF THE MONTH

by Cheryl Smith

Since Memorial Day weekend and June are great times for camping, I am sharing one of our very favorite camping desserts. It can be done on a backyard grill (if your grill has wide openings between grates use a sheet of aluminum foil on them) but I like to make it on a charcoal grill so it gets just a little of that char flavor. I am giving two versions because I can't decide which one is the best.

### Grilled Pound Cake With Berries

- 1 pound cake, sliced into 1" slices. (I use SaraLee)
- 2-3 C. berries (I use strawberries, blueberries and raspberries)
- 6 T. butter, softened
- 2 T. light brown sugar
- Sugar to taste
- Whipped cream

Mix together the butter and brown sugar. Brush over one side of the pound cake slices. Preheat a grill or prepare coals for a medium heat. Grill, turning once, until toasted and the sugar is caramelized and crispy. Sweeten the berries to taste and spoon over the individual slices of warm cake.

Top with whipped cream.

### Grilled Pound Cake With Pineapple

- 1 pound cake, sliced into 1" slices.
- 8 pineapple slices
- ½ C. light brown sugar
- 4 T. butter, softened
- Whipped cream

Brush butter onto the pound cake slices. Preheat a grill or prepare coals for a medium heat. Grill until toasted and grill marks appear. Cover each slice of pineapple with brown sugar. Grill until softened, the brown sugar is melted and juices start to run out of the pineapple. Top each slice of warm pound cake with a slice of pineapple and whipped cream.

## GETTING TO KNOW YOU

by Amy Newman

Jim and Nancy Anderson spent their first snowbird season in VPE this year, having purchased their home at 2219 Palazza from the Empels. Previous winters they had rented in the area. Now living next door to Pat & Pedro the couple has appreciated their helpfulness in getting settled in. Their northern residence is in Wharton, New Jersey in Morris County. Nancy grew up in Paramus, NJ and Jim primarily in Chicago and then moved to Detroit. They each have 2 daughters and 7 total grandchildren. Jim started his career in electrical engineering and then computer programming where he lived in many different states throughout his working years. Nancy was a physical education teacher for 25 years and also taught driver's ed.

The couple met while square dancers in NJ in 2007. Nancy's home club invited Jim's group of supposed new dancers, known as barn dancers, to a "raid" only to find that Jim was definitely not a new dancer. After not a few do si do's and Allemande left's, they were subsequently married in 2011.

This past January they boarded the Amtrak auto train from Virginia to Sanford, Florida and attended the Florida State Square Dance Convention in Deltona before arriving at VPE. Other interests include gardening, where Nancy tends a flower garden in NJ, and also enjoys bicycling. Jim works on his computer, mostly doing research these days. They have gone on several cruises and Nancy took her daughters to Hawaii this spring.

The Andersons like the affordability of VPE, Greg and Bonnie Ryan's dance class, and the kindness of the residents. Promenade back to us next season, Jim and Nancy, and welcome to our little slice of paradise.

## LEAVING FOR THE SUMMER?

**Recommendations prior to leaving to make sure that your home will be in good shape when you return:** Empty your refrigerator, unplug it and prop open the door. Remove food from the pantry, or ensure it's in mice/insect-proof storage containers. Ask the Office to forward mail to your home address. Empty all the trash bins. Unplug power loads such as TVs, kitchen appliances, power strips and internet routers. Turn off the main water supply. Turn off the water heater. Disconnect the hoses to your washer and dryer, and unplug them. Set the thermostat to 80 degrees for AC. Turn off all the lights, close the shades/drapes. Lock all the doors and windows (leave a key with the office or caretaker for emergencies). Bring everything inside: patio furniture, flags, chair cushions, grills (disconnect the propane). Flush the toilet several times just before you leave. Pour half a cup of chlorine bleach into the toilet bowl to prevent stain-causing bacteria. Cover toilets with plastic wrap, and all sink drains with sealed plastic bags to prevent the water from evaporating in the drains which would allow sewer odors and bugs to crawl down roof vents into your house. **REMEMBER TO CHECK OUT WITH THE OFFICE WHEN YOU LEAVE FOR THE SEASON!**

## BAD DAD JOKES

Q. Did you hear about the break-in at the parking garage?

A. It was wrong on so many levels.

Q. How much room is needed for fungi to grow?

A. As mushroom as possible.

Q. Why don't eggs tell jokes?

A. Because they would crack each other up.

At first my mom didn't like the revolving chair I bought her. But after sitting in it for a while, she came around.

When I was a kid, my mom told me I could be anyone I wanted. Turns out identity theft is a crime.

I went to buy a pair of camouflage pants, but I couldn't find any.

## SUNSHINE NEWS

by Cassie Dionne

Merle Luoma died 4/1/24 at age 95. He was a winter resident here at VPE for many years.

Cards may be sent to his daughter, Jeanne Luoma 2394 Richard Ave. Saginaw, MI 48603.

Joan Barone passed away on April 5, 2024 after a brief illness. She was surrounded by her loved ones. Joan was a familiar face, along with her fiance, Fred Neuman, at many events in the park. Her loving ways, her faith in Jesus, her kindnesses to many, her courage to thrive in spite of whatever hardships life posed, are a tribute to her. We were blessed to have her among us for as long as we did. We were honored to have met some of her family at the Celebration of her Life on 4/12/24. Fred and Joan's stepson Jimmy, bravely carry on here. Rest in peace sweet Joan.

Condolences to Fred Neuman, Joan's sons Greg and James Barone, and son Steven Lamb, and family: 2126 Ca D Oro Dr. Sarasota, FL

34238. email: fred\_neuman@me.com

The family, Jimmy and I would like to express our

sincere appreciation of the kindness, love and kind words from all the people in the park. The memorial was a wonderful tribute to a wonderful lady. Sincere thanks, Fred, Jimmy and Joan's family

**THIS AND THAT**

The St Paddy's Day Races held on 3/17/24 in the Clubhouse raised \$240. Funds go to park sponsored charities. Many thanks to those who participated and contributed. Thank you Gina and Paul Miller for chairing this event.

The Park Picnic held at the Clubhouse on 3/23 was a huge success. The band was very popular, performing all the old familiar hits for listening and dancing. This was a catered event, featuring pulled pork/chicken and all the fixings. The Activities Committee and their assistants outdid themselves. Thank you for your hard work!!!

Good morning VPE as you have probably already heard David from Super Clean is no longer running his business..I texted him to verify and he said it was true and that he & his family are moving back to Indiana to be near his family. He sold his business to a great family and said they do a great job. Tel number is 941-302-3405.(Pressure Perfect) by Gary Eastman
