## **CLUBHOUSE SECURITY**

There are many nights that anyone traveling on Tamiami Trail can simply walk into our Clubhouse. The doors are unlocked.

Maybe they just want to use the bathroom. Or maybe they'll borrow our television, one or two kitchen appliances, dishes, silverware, etc. and then vandalize the building.

Please, if it's 8 p.m. or later in the evening, and you or your group is the last one to use the Clubhouse, LOCK IT UP!

During the week our Maintenance Mgr, Dwayne, opens the Clubhouse. **We need volunteers to open the Clubhouse on weekends and also to close the Clubhouse every evening.**

## **GETTING TO KNOW YOU**

by Amy Newman

Doris DeWitt, of 2245 Piazza, has led a full and active life with an energetic and delightful disposition who displays no signs of slowing down. Doris was born in Saugerties, New York, and was the only girl in the family among four brothers; they were her playmates, athletic rivals and protectors. A true tomboy, she aimed to beat her brothers at golf and she did! Her mother was her hero, a fierce but fair hardworking woman who unfortunately died in her early forties when Doris was 17. As she had learned so much from her mother and great grandmother, Doris managed the household and took care of her family of men after her mother's passing.

One of her brothers had a best friend growing up named Stewart whom she would later marry. He was a civil engineer for the state and the couple lived their nearly 60 years of marriage in Woodstock, NY. They owned a 17-acre farm where Doris loved tractor mowing their three acres around their home. The

DeWitts had three sons (of which one lives nearby in Venice) as well as three grandchildren who bring her great joy. Their home was the house where all the kids would come and play and especially when the snow flew. She would join them playing, of course, and had an open-door policy. She was a Boy Scout den mother for years and knew the community well with her involvement on the fire department. The DeWitts property was the setting for Fourth of July fireworks and she recalls serving up an infinite number of hotdogs to any and all who would pop by.

Doris is a charter member of the Woodstock Fire Department. Volunteer at the time, Doris became an EMT and went out on calls as did Stewart and her sons. Their house was all abuzz with scanners with four of them in the family answering calls. She was part of the first all-women squad in Woodstock in 1974. Other jobs Doris held included working for an answering service, a doctor's office, and sold real estate.

The Dewitts had friends who owned a home on Ca'D'Oro which they rented for several seasons and then purchased their own home on Piazza in 2004. Doris enjoyed being on the VPE golf league and still shuffles on the shuffleboard league winning fourteen games this past season. In retirement, which she doesn't believe in, she regales with trips out West and Caribbean cruises with VPE friends.

Doris spends her off season back home, now in Olivebridge, NY, on her son's property where she built a small home. She helps with sorting dozens of eggs and other activities with her 10-year-old granddaughter at their farm. Doris credits her faith for strength and peace through the hard times, for her happy marriage, and her mother for her fierce (she will beat you at shuffleboard), fair and hardworking disposition.

## **RECIPE OF THE MONTH**

by Cheryl Smith

It is that time of the year when peaches are at their best.

This is one of my favorite recipes and my family asks for it over and over. It is also very easy to make. Just be sure to have some vanilla ice cream on hand for it.

### Peach Cobbler

Filling: 8 fresh peaches, peeled and sliced  
(9 cups)

½ C. white sugar

½ t. cinnamon

¼ t. ground nutmeg

1 T. fresh lemon juice

2 T. cornstarch

½ t. salt

### Topping:

2 C. flour

1 C. white sugar

1 T. baking powder

½ t. salt

12 T. butter, chilled and cut into small pieces  
or grated

1/2 C. boiling water

### Biscuit Topping:

2 t. cinnamon

1/3 C. sugar

In a large bowl, combine the filling ingredients. Stir to combine and transfer to a 9x13" baking dish. Bake for 10 minutes in a preheated 425 degree oven. In another mixing bowl, whisk together the flour, 1 cup sugar, baking powder and salt. Add the butter and combine. Stir in the boiling water quickly, just until combined. Batter will be lumpy. Drop topping over the hot peach filling in large spoonfuls. Stir together the remaining cinnamon and sugar and sprinkle over the top. Bake until top is golden brown and filling is bubbly, about 25-30 min.

## **DONATE**

Hi Neighbors...as you travel this Summer, make sure you "collect" the Hotel Mini Shampoo, Soap etc. to donate to our Homelessness Community. Jeff and I will continue to check the Donation Box in the Clubhouse!!...and of course, FOOD donations are NOT just for Holidays !!! Betsy & Jeff Fisher

## **WATER AEROBICS**

WATER AEROBICS HAS CHANGED OUR BEGINNING TIME TO 9:30 AM MONDAY – WEDNESDAY - FRIDAY.

Betsy Fisher has become the instructor. When she is out of town Doreen Moser has been kind enough to fill in. When Phyllis Buchner's daughter Cindy is in town she graces us with a vigorous workout. We welcome anyone to join us for this low impact aerobics.

## **BINGO NEWS**

by Deb Cinco

Bingo has come to a close for the summer. May 28th was our last Bingo. We go into the summer with 2 Cookie Jars, one for \$250 and the other \$210. Our Progressive will be starting at \$70. Hopefully we will have Jeff Fisher for our caller next year. Bingo will begin again on September 10th. Our last Bingo was a special one, we had one person (Chris Thibeault) win 4 times in one night. That was a first for me. I can't speak for all the other years. Everyone have a great summer where ever you are, here in Paradise or in your northern home!

## **KENTUCKY DERBY**

Kentucky Derby on May 4 was a big success. Approximately 25 people attended. Irv Rubin and his assistants sold tickets, moved the horses on the board, paid out the winners and ran the 50/50 and guess how many marbles in the jar. Food and ice cream were provided by Irv.

**SUNSHINE NEWS**

*by Cassie Dionne*

Greetings to all you VPERS out there. It's very quiet around here this month.

The following sentences prove my point! When you return to Paradise, you will need more time to shop at Walmart Osprey as they have a new manager and have spiffed up the store (moved stuff around). The shelves are stocked and there are new shopping carts. The creeks and swales in the park are back to normal after June rain.

We send sunshine and wishes for continued good health for John Wuerzburger, who was hospitalized in IL for 12 days in May. He required 2 surgeries and 1 outpatient procedure. He had complications and a blood infection. JoEllen reports he is home and all the imaging shows his GI internal organs are healed. Cards may be sent to John at 11344 31st Street Drive West Milan, IL 61264. email: wrzbrger@gmail.com ph: 309-373-2040.

Irv Rubin is currently recovering from 2 hospitalizations in June here in Sarasota.

I called him yesterday at the Rehab Facility in Nokomis. He's working hard "so I can get out of here!" Cards and well wishes to: Irving Rubin PAM Health 2639 Curry Lane, Nokomis, FL 34275

Facility ph: 941-244-5089

## FROM RUTH BECK

VPE ladies...I have completed my last "project". If any of you would like to stop by my house and take a look, that would be fine with me. The whole project consists of: 35 baby blankets, some made with flannel, some with fleece and some with fabric. 17 baby pads and 7 fleece pads with crochet binding.

Thanks to all of you who donated the good stuff for me to work with. Unfortunately not all the things donated were usable, so I took some back to Goodwill (mostly black and dark colored pieces and, some crochet yarn that I could not handle with a size 16 needle, but I tried.)

Now I need another "project" to keep me out of trouble. ANY IDEAS ????
