FROM THE EDITOR:

Every month, for over the last 3 years, Cassie Dionne has served as the editor for the Venetian Park Estates Gondolier. Last month Cassie decided to step down and I volunteered to step in. Cassie put it all together with the help of her staff of Gina Miller, Amy DeBruin, Amy Newman and Cheryl Smith. We take it for granted that next month there will be a Gondolier, but it won't happen without the input and cooperation of the staff and residents. The Gondolier serves as a line of communication between our Board of Directors and our residents, providing updates, announcements, and important information regarding our community. Every resident is welcome to contribute their thoughts, suggestions or ideas to the Gondolier.

Thank you,
Tony Turlenko

GETTING TO KNOW YOU

by Amy Newman

Fred Neuman was born in Riverside, New Jersey, along the Delaware River, with two older sisters growing up. He made a choice to join the Army and began his service two days after he graduated high school. He served during peacetime and spent nearly all of his 4 years in Germany as an encryptor-operator. While serving there, he drove from Rome to Denmark in stages which was an incredible experience. Upon returning home he married Janice, his wife of 56 years. Together they had two sons and ultimately four grandchildren. Fred worked the bulk of his career as a sales manager for an electronic wire company that made Teflon-coated wire used in cables and other applications. Fred and his wife Janice traveled 47 of the 50 states with his work and also his wife's, as Fred hired her on the sales team. For much of their career they worked together. Later in life he was also a realtor for 20 years.

A year or so after Fred's wife passed away, he reconnected with Joan Barone, a bus-riding friend from the seventh grade in New Jersey from 65 years prior. She was living in Alabama with her nephew, turned-stepson, Jimmy. (After her husband passed away Joan married his brother, Jim). Having heard

about VPE from long-time friends, Jay and Bonnie Andrews, the trio's first home was on Gondola Drive for a season and ultimately purchased their home on 2126 Ca'd'Oro from Pat Bell, commenting that the best thing about living in VPE is the friendly people.

Fred and Joan enjoyed taking bus tours with All-Around Tours, including St. Augustine at Christmas which was beautiful, and Solomon's Castle in Ona, Florida; the latter is an off-the-beaten path metal castle created by a metal worker/sculptor. See solomonscastle.com for pictures of this creative and quirky place.

Jimmy Barone, now 63, was born and raised in New Jersey where his father had a great influence on his life. As a siding installer, his dad, Jim, would take Jimmy to work with him and taught him the basics of the trade. He also helped his father create intricate metal art (as seen in the Fred Lamp; Jimmy picture background). Jimmy excels at puzzling and can even do them upside down. His bedroom walls are a testament to his prolific puzzle "wallpaper." One of his favorite activities is playing the piggy machine at the Palms Social Club where he always wins, having recently taken home \$77. He takes good care of their rescue dog, Misty, showed this visitor his family pictures, and enjoys spending time with Phyllis Murphy's nephew, Danny. The pair helped with cleanup after the hurricane and spread some joy on Halloween trick-or-treating in VPE.

Having lost their beloved Joan this past year, Fred Neuman, Jimmy Barone and pup Misty live together under unique circumstances. Fred and Jimmy have created an original family unit. Though unrelated, their mutual need and care is filled with playful banter and commitment. Fred and Jimmy are an admirable duo whose dedication to each other enriches ours.

RECIPE OF THE MONTH

by Cheryl Smith

My husband and I first had this appetizer about 20 years ago on Anna Maria Island at Jackie's Cafe. We enjoyed it so much I tried to duplicate it at home. It is also good with fig preserves instead of the onions. It makes a nice addition to your holiday get-togethers.

Baked Brie with Caramelized Onions

- 1 T. butter
- 1 large Vidalia onion (or other sweet onion)
- 1 T. brown sugar
- 1 small wheel (8 oz.) soft-ripened Brie cheese
- Bagel chips, grapes and pears

Melt butter in a nonstick pan. Cut the onion in half and then slice it. Add the onion, brown sugar, and one tablespoon of water. Cook until the onion is very soft and browned and the liquid has evaporated, about 35 minutes. Meanwhile, preheat the oven to 350 degrees. Unwrap the Brie and place in an oven safe serving dish. Bake Brie for 10 minutes or until just warm to the touch. Top with the onion mixture. Serve with bagel chips and fruit.

BINGO NEWS

by Deb Cinco

Bingo is beginning to grow in attendance once again. With the increase of people, it means an increase in the amount you can win on a given game. We still have a Cookie Jar which is at \$250.00. With the season just starting, it would be nice to see some of our seasonal people join in the fun. We also have new people in the park who are encouraged to join us on Tuesday evening at 6:30pm. Bingo begins at 7pm, but we stop selling cards at 6:45. If you don't have bingo blotters don't worry. They are available at \$2 each. Feel free to bring your beverage of choice. We have a snack table that anyone can bring a snack to and share with the crowd. It is always interesting as to what the snacks are. There will not be any bingo on December 24th.

FEMA ASSISTANCE

from Greg Ryan

Greg Ryan has this advice and suggestions to get financial assistance if you lost electricity and food due to Hurricane Milton:

CALL to have a person walk you through the FEMA Application. (You may have to be on hold for up to 30 minutes – so be ready).

Tell FEMA the following three (3) things:

1. Let them know you need help filling out a FEMA Application and that you live in a mobile home in Sarasota and that by law you were required to evacuate and that "you were displaced" from your home prior to Hurricane Milton.
2. Tell them that you lost electricity (no lights, no water, no sewage) for at least 3 days: from Oct. 9th to Oct. 11 (or longer).
3. Tell them that you had to get or use "emergency water, food, etc." during this time. (Typically, people buy water and food before or during the hurricane as a direct result of the hurricane).

Note: if you give them your bank routing # and bank account – they will give you a direct deposit to your checking account for loss of electric and food – up to \$770. Several people in the Park have already received this assistance.

POEM

from Pat Waites:

JUST WONDERED

When Christ was born, He had a message to convey.

Did He really know the price He would pay?

Was He early, or was He late?

No doubt His timing was just right.

Making His appearance, the way He did.

Humble and perfect on that night.

Was His weight God's favorite number seven?

Just a little tot, yet He left His Dad in Heaven.

When He slept, did He dream of His home up above?

Or was His mind on the souls, He came to love.

What color eyes did God give His baby boy? Brown, green, or blue?

Did they sparkle brightly, thinking of me and you?

Was His hair shiny dark, or blond with soft curls?

I wonder...when Jesus came, how He appeared to this world.

Our Father sent this special Gift for all mankind to know.

There was no fancy wrapping, yet flawless from head to toe.

Certainly, He grew hungry, did He ever raise a fuss?

I so wonder about this breathe of innocence, who came to redeem us.

The star that led the shepherds, shone brightly in the sky.

They came to see the Infant, who would save you and I.

Times are quite different now, since the first Christmas story.

We're busy people, rushing around, and at times forget God's glory.

So, when you hear the bells this season, and view the dazzling lights.

Pause...for Christ is whispering, I love you child... you definitely,

were worth the price.

Luke 2:4-12

POEM*by Gloria Rubin*

Last month's Gondolier included some poems written by Irv Rubin's late wife, Gloria. She also wrote poems for people who sent her letters or requests for a special poem. Here are a few of them. Gloria was asked to write a poem for a friend's granddaughter whose brother died tragically even as the granddaughter was giving birth.

SCHULTZ'S TREE OF LIFE

Our tree of life has many leaves that grow
 From year to year.
 Our tree, it blossoms, and it blooms
 And it's strength
 Is very clear.
 You are a special leaf of life,
 You add so very much.
 We give you love and in return, our hearts have
 been so touched.
 As the leaves of life fall from our tree, your
 branches still will grow.
 Remember you're "our granddaughter when
 The winds of life do blow.

This is a poem Gloria was asked write in remembrance of a friend's recent passing.

EDITH (July 2004)

A special friend is hard to find, she's a rare
 Gem that for sure. Her stories are so
 Colorful, there like fishing lure.
 And when she's caught you, she reels you in.
 Your friendship ride would then begin.
 Through all that's good and all that's bad,
 Never a time would we get mad.
 I thank the LORD I had a chance,
 To be her friend in my life's dance.
 Thank you Edith for being my friend.
 May God bless you until life's end.

**SUNSHINE NEWS***by Cassie Dionne*

We had quite a turnout (38) for the Nov 9 coffee. It was wonderful to see one another after the tough weeks we've had. We saluted all of the workers who gave so much to help us get our park cleaned up. Special thanks to Louise and David Novak for their leadership. We also saluted our Veterans; Paul Miller said the blessing, Len Pagano led us in the Pledge of Allegiance. We recognized our Canadian residents who contribute so much. Finally, we sang a rousing version of God Bless America in honor of our Vets. Thank you all for your service.

We have new a resident, Jeanne Moore. She and her husband Anthony Laeyt moved to 2221 Piazza Drive in August. She is originally from the coast of MA, they lived on the FL east coast before moving to VPE. Anthony passed away in Oct. of this year. Also, Jeanne's carport was damaged in the hurricane. Cards and condolences can be sent to her: Jeanne Moore, 2221 Piazza Dr., Sarasota, FL 34238.

Sadly, Millie Johnson died peacefully among her family in Maryland on Oct 31, several weeks after having heart surgery. Millie leaves 4 grown children, 9 grandchildren and 4 great grandchildren. "Her life was marked by warmth, generosity, and a boundless optimism that touched everyone she knew." Her sister, Joan Barone, also a VPE resident died earlier this year. Fred Neuman and Jimmy, Joan's husband and son, also live here at the park. Cards may be sent to: Fred Neuman 2126 Ca D Oro Dr. Sarasota 34238.
