BINGO!!!

By Deb Cinco

Welcome back to all Bingo players! By the time you read this we will have 2 Bingo's under our belts. I do hope that we can get more people to attend Bingo on Tuesday nights. It starts at 6:45pm and is usually over around 9pm. For all the new people in the Park, we are still looking for a couple of callers. Maybe once you come to Bingo you will decide that you would call once a month. See you on Tuesday evening!

OCTOBER 10 PIZZA LUNCH

Save the date. On Sat. October 10 at noon, we'll be having a Pizza lunch sponsored by Florida Anchor and Barrier. They are bringing us pizza and drinks to show us their appreciation because our community has used their business so much over the years.

We will be having the Pizza lunch instead of a coffee. Please sign up at the clubhouse.

VENETIAN PARK ESTATES, Inc. - "STANDING" ADVISORY COMMITTEES

Presently, the Board of Directors at Venetian Park Estates, Inc. (VPE) is supported in their decision-making process by twelve (12) "Standing" Advisory Committees. An advisory committee is a collection of Cooperative Members who voluntarily contribute their knowledge/skills in areas which augment the knowledge and skills of the VPE BOD. Committee members offer insights and recommendations for action to the board when called upon. The advisory committee does not have formal authority to govern the organization, that is, the advisory committee cannot issue directives which must be followed. Rather, the advisory committee serves to make recommendations and/or provide key information and materials to the BODs. The advisory committee plays an important public relations role as well as fresh perspective on programmatic issues. A properly composed and structured advisory committee can be a tremendous complement to the effectiveness of the BODs as it works to carry out a specific initiative. The Chairperson of each is asked to provide a committee report at each of the regular Board meetings. Advisory committees need a sufficient range of expertise to accomplish the Board's mission.

Note: Of the 12 committees advising the Board, only three (3) have been given authority by the Board since 2014 to make decisions prior to a Board Meeting because of the nature of the work being considered. The Board then renders an "official" vote "retroactively" at the next regularly scheduled meeting to modify or confirm and approve the decisions made by these committees "for the record".

1. Architectural Review Committee (ARC): While the Board reserves the right to officially 'approve' an Owner's request to 'remove an existing home and install a new one', it gives authority to this committee to 'oversee' the "Application Process" for the removal and installation of new manufactured homes and structures on a Unit. This process often involves making decisions about the 'process' guiding both Builder and Unit Owner to comply with HUD, State, County and VPE Association's building codes. All actions taken by this committee are then presented to the Board at their next regular meeting.

2. Building & Grounds Committee: While the Board reserves the right to make all decisions regarding maintenance of VPE's buildings and grounds, it has given authority to this committee to make decisions between Board meetings in cases where emergencies arise involving broken water pipes, air conditioning, damage to our Treatment Plant, the Pool area or a Member's Home, which may put the well being of the Members or the Park at risk. All actions taken by this committee are then presented to the Board at their next regular meeting.

3. New Resident Committee: While the Board reserves the right to officially 'approve' any person or persons requesting an "Assignment of Lease" or a "Membership Certificate" prior to purchasing or residing in a home on VPE property, it extends this same authority to this committee between Board meetings. The Committee may approve a request for a Lease and Membership within the Cooperative between Board meetings ONLY when all criteria have been strictly met, including a successful interview and background check. This is done to allow for the legal Closings to take place. If Membership criteria is NOT MET in a satisfactory manner, the committee will immediately advise the Board to take action according to Article 10.6 of our Rules and Regulations.

HALLOWEEN

BOO!!!

Did I scare you again?? Come to the Halloween party on Halloween, Oct. 31, at 6pm in the clubhouse and be prepared to be scared! Well, I don't know how scared you'll be but I do think we'll have fun! We'll have the costume and pumpkin carving contests. Bring your own drinks (whatever) and an hors d'oeuvre or a spooky snack to share. After the contests we are trying something new! Friends And Neighbors Feud (Halloween edition). There will be prizes for the contests and prizes for the winning team of The Feud. So put this on your calendars and come try something new. Hope to see your spooky faces there!

ACTIVITIES REPORT

By Gina Miller

And the season begins! After a slow hot summer here in our paradise, it's time to get this party started! On October 10th at noon, we are lucky to have Florida Anchor and Barrier gift us a pizza lunch and drinks. Please sign up at the clubhouse so we know how much pizza for them to bring. This will replace the coffee for that date.

The first Activities meeting of the season will be on Wed. October 14th at 4 pm.

On Saturday, the 24th will be a sponsored coffee with the Sunshield Agency bringing our treats. Brenda Park will host.

And then there's Halloween. On Saturday, October 31 at 6 pm we will have our usual costume contest with prizes for the scariest, funniest, and most unusual. For our pumpkin decorating contest, you can decorate however you want; carve, glue, paint, whatever comes to your imagination! The categories for the pumpkin contest will be the same as for the costumes; scariest, funniest and most unusual.

Bring a snack or Halloween treat to share and your own drinks. There will be a 50/50 drawing so don't forget to come to the party with a few dollars in your pocket. This event will be FREE.

I've been wanting to play a game show for quite a while so what better time is there than Halloween

to try something new? We'll be playing "Friends and Neighbors Feud"(Halloween addition). I'm going to be looking for two teams of four people, so be thinking about volunteering because I'll be out there asking! Hopefully, it will be fun and funny and there will be prizes for the winning team. Come out with your spooky or funny or unusual faces and try something we haven't done before.

BAD DAD JOKES

What did the air conditioner say when it met a celebrity?

I'm a big fan!

Writing with a broken pencil is pointless.

I have a fear of speedbumps. I'm slowly getting over it.

Why did the fish blush? Because he saw the ocean's bottom.

What would bears be without bees? Ears.

Why do cows wear bells? Because their horns don't work.

What is the best thing about Switzerland? I don't know but their flag is a big plus.

GETTING TO KNOW YOU

By Amy Newman pic of Amy

Brian & Katie Strand have lived at 2281 Ca'D'Oro since 2015. They have the unique position of purchasing their home from the original owner of the Park, Doris Cutler, who had an office in the home where she would collect rent from VPE residents, cash only, and even had bars on the windows due to the same. Doris came up with the name for the park and the streets due to her love for Italy. The Strands detailed how the interior of the home had an Italian decor including gondola wallpaper. They weren't sure how Doris came up with the two french street names but storytelling by others has indicated that she picked the names out of a book she was reading. Their home is anchored by a reclinata palm tree on the corner of Ca'D'Oro and Chez Vous.

Katie was born and raised in S. Minneapolis with one sister. She was adopted and met her birth mom as an adult and has a relationship with her four half siblings to this day. She herself has four children. During her years in Minnesota Katie owned two restaurants, a screen printing/embroidery company, and worked as a food and beverage director at a golf course

country club. She continued the same work after moving to Florida, at Stoneybrook CC for 18 years. She now works part time as a caregiver for a nonagenarian lady and has been a realtor here in the Park for the past four years.

Brian was born in Minnesota, grew up in Wisconsin, and when he was 15 the family moved to Florida. He has five siblings including three adopted from Vietnam and one from Korea. He attended Florida Southern College in Lakeland, graduating with an accounting degree.

Interestingly, Brian shared that Florida Southern is a National Historic Landmark for having the largest single-site collection (13) of Frank Lloyd Wright architecture. The college offers tours of his organic style. Brian has been an independent CPA for 35 years, retiring in 2017, and has worked at Stoneybrook as a ranger in outside operations since 2018. Brian has three children and together he and Katie have 16 grandchildren, and 2 great-grandchildren.

The Strands have been married since 2002 having been introduced by a mutual friend. Prior to moving to VPE, the couple lived off Preymore in the Bay Oaks neighborhood. They also have a home in Menahga, Minnesota, that they visit in the summer. Katie enjoys cooking, canning, baking, and family times. She is the pianist at their church in Nokomis, Grace Bible Fellowship, where Brian is an elder and the song leader. He also enjoys playing golf.

They appreciate VPE for how well maintained the park is and the kindness of others. During Katie's tenure on the Activities committee they became quite involved yet enjoy the one-on-one friendships they have made with their neighbors. Thank you, Katie and Brian, for calling VPE home for the past 11 years!

SUNSHINE CORNER

By Cassie Dionne insert

Welcome to those who are new to VPE. We have a long tradition of recognizing folks here who are hospitalized or ill and sending get well cards. We also recognize those who have died, sending condolences to their loved ones. This is done through the Sunshine news person. That is me, Cassie Dionne. I also write this column so that news is printed in the Gondolier (when appropriate). Please know that VPE will donate \$50 to a charity of the family's choice in memory of a resident who has died. I also handle that. You should also know we have a website for general park info: VPEonline.com. In Facebook there is a tab under groups for Neighbors Helping Neighbors (choose the VPE one).

SCAM ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!
