VENETIAN PARK ESTATES, Inc. - "STANDING" ADVISORY COMMITTEES

Presently, the Board of Directors at Venetian Park Estates, Inc. (VPE) is supported in their decision-making process by twelve (12) "Standing" Advisory Committees. An advisory committee is a collection of Cooperative Members who voluntarily contribute their knowledge/skills in areas which augment the knowledge and skills of the VPE BOD. Committee members offer insights and recommendations for action to the board when called upon. The advisory committee does not have formal authority to govern the organization, that is, the advisory committee cannot issue directives which must be followed. Rather, the advisory committee serves to make recommendations and/or provide key information and materials to the BODs. The advisory committee plays an important public relations role as well as fresh perspective on programmatic issues. A properly composed and structured advisory committee can be a tremendous complement to the effectiveness of the BODs as it works to carry out a specific initiative. The Chairperson of each is asked to provide a committee report at each of the regular Board meetings. Advisory committees need a sufficient range of expertise to accomplish the Board's mission.

Note: Of the 12 committees advising the Board, only three (3) have been given authority by the Board since 2014 to make decisions prior to a Board Meeting because of the nature of the work being considered. The Board then renders an "official" vote "retroactively" at the next regularly scheduled meeting to modify or confirm and approve the decisions made by these committees "for the record".

1. Architectural Review Committee (ARC): While the Board reserves the right to officially 'approve' an Owner's request to 'remove an existing home and install a new one', it gives authority to this committee to 'oversee' the "Application Process" for the removal and installation of new manufactured homes and structures on a Unit. This process often involves making decisions about the 'process' guiding both Builder and Unit Owner to comply with HUD, State, County and VPE Association's building codes. All actions taken by this committee are then presented to the Board at their next regular meeting.

2. Building & Grounds Committee: While the Board reserves the right to make all decisions regarding maintenance of VPE's buildings and grounds, it has given authority to this committee to make decisions between Board meetings in cases where emergencies arise involving broken water pipes, air conditioning, damage to our Treatment Plant, the Pool area or a Member's Home, which may put the well being of the Members or the Park at risk. All actions taken by this committee are then presented to the Board at their next regular meeting.

3. New Resident Committee: While the Board reserves the right to officially 'approve' any person or persons requesting an "Assignment of Lease" or a "Membership Certificate" prior to purchasing or residing in a home on VPE property, it extends this same authority to this committee between Board meetings. The Committee may approve a request for a Lease and Membership within the Cooperative between Board meetings ONLY when all criteria have been strictly met, including a successful interview and background check. This is done to allow for the legal Closings to take place. If Membership criteria is NOT MET in a satisfactory manner, the committee will immediately advise the Board to take action according to Article 10.6 of our Rules and Regulations.

GETTING TO KNOW YOU

By Amy Newman

Jan Kostrzewski, of 2069 Ca'D'Oro at the corner of Venetian Drive, is one of the remaining "founding mothers" of our corporation (along with Phyllis Buechner and Anita Wood), having lived at the park since 1985, before it was resident owned. Jan and her husband Joe became familiar with the park through an aunt who lived at 2169 Palazza. Jan, along with Joe who was a Board member for many years, contributed their financial share along with many others to make VPE a co-op/corporation. Over the 41 years that she has called VPE home Jan has witnessed the tremendous growth of Sarasota. VPE sat alone on a quiet two-laned 41 in a pasture setting with cows to the east (the original Palmer ranch), a hardware store across the street to the west, and the same Publix north. However the street Central Sarasota Parkway did not exist until it was developed later.

Unfortunately, in 2024 Hurricane Milton had its way with her original mobile home causing significant damage. She spent over a year living in Orlando with her son and daughter-in-law. Her daughter-in-law is an interior designer and chose Skyline Homes out of Ocala and took on the project in its entirety and "all" Jan had to do was wait. Finally Jan moved into her new beautiful blue home this past spring just before her 90th birthday. She is in awe of the tall ceilings, the slide-out cabinet drawers and indoor laundry, among other amenities.

Jan was born in Ashland, Pennsylvania, into a family of girls and has one sister who is still living with whom she is very close. After marrying Joe it was determined they needed to move to New Jersey where the jobs were plentiful. Jan worked for 20 years building radar for ships with Lockheed and previously worked for RCA. She mused that she was a company supervisor and her husband was a union rep for people who worked for her. That certainly could make for interesting dinner hour conversations! Jan and Joe were married 55 years before he passed away 8 years ago. He was a fixture on their front porch or lanai, watching the residents come and go.

Jan has enjoyed traveling with her sister over the years; trips to Germany, Austria, Switzerland, and an Alaska cruise were her favorites. She enjoys reading books from her Nook. She attends First Baptist Church, in nearby Osprey, which has been her church home for over 40 years. On Friday afternoon Jan hosts a group of church ladies where they play Marble Pursuit, a game similar to Parcheesi or Aggravation.

Jan has made a vast number of friends over four decades here at the park and when asked what she likes the most, she exclaimed, "I just love living here!" Thank you Jan for your foundational commitment to VPE all those years ago. The rest of us have benefited from those who led the way.

Creamy Ranch Chicken & Broccoli Slow Cooker Recipe

Prep Time: 10 minutes
Cook Time: 4–6 hours on LOW
Servings: 4–6

Ingredients

2 lbs. boneless, skinless chicken breasts
1 packet (1 oz.) ranch dressing seasoning mix
1 block (8 oz.) cream cheese, cubed
½ cup chicken broth
2 cups frozen (or fresh) broccoli florets

Directions

1. Place chicken breasts in the bottom of the slow cooker.
2. Sprinkle ranch seasoning evenly over the chicken.
3. Pour chicken broth around the chicken.
4. Place cubed cream cheese on top.
5. Cover and cook on LOW for 4–6 hours, or until chicken reaches an internal temperature of 165°F.
6. During the last 30–45 minutes of cooking, add frozen broccoli. Cover and continue cooking until broccoli is tender.
   If using fresh broccoli: Add during the last 45–60 minutes of cooking.

SUNSHINE CORNER

By Cassie Dionne

We are deeply saddened to hear of the passing of two patriarchs here at VPE, pillars of our community. Irv Rubin died in the hospital on 9/18/26 and Jerry Ralston passed on 9/20, peacefully in his sleep. We owe each man our honor, respect and gratitude for their contributions to the betterment of our park; service above and beyond for decades. Mondays, Thursdays and

Fridays you could find them at the poker table for Texas Hold'em. Both Irv and Jerry faithfully attended park functions in support of the community. Jerry over the years held office serving faithfully as President and Vice President. He also served on committees, always a smiling face at the

February Flea Markets lending his support. Jerry spearheaded the effort to have FPL put our streetlights in.

One of Irv's favorite events (besides poker), was the Horse Races at Venetian Downs. He organized, directed, and financially supported these...they were always popular and well attended. Irv managed the aftermath of Hurricane Ian in 2022, calling on our community to help

each other. He served faithfully as President and Vice President, and on committees. The Facebook Neighbors page was full of tributes to both men, how well loved they were by their neighbors and friends here. We salute Irv and Jerry, patriots both, leaving us honored to have known you. Rest in peace. You are missed.

Condolences to Irv's family:Ginny Gebeloff 1458 Marlin St. Nokomis, FL 34275. Military funeral at Sarasota National Cemetery on 10/16/26.

Condolences to Jerry's family- his wife Ruby Ralston, God comfort your broken heart. 8855 Chez Vous Dr. Sarasota, FL 34238. Our sympathy to their daughter Paula Neumeier, email- paulaneumeier1@gmail.com, son Rob and daughter Marsha. A memorial service will be held next year.

Dennis Hamlet from 2201 Gondola Drive has recently passed away. I have no family information at this time.

Condolences to Cheryl Burton whose aunt Ida Lindner died last week, she was 105. She and her husband Melvin lived here for many years. Some of you remember her as the park real estate agent. She was a lovely person and is missed by many. Condolences to her niece Cheryl,

2179 Piazza Dr. Sarasota 34238. Email-cherylburton@hotmail.com. Memorial will be up north.

Deb Cinco is recovering at home after a fall left her with a broken ankle. No surgery required, she is back in action. Get well wishes to her at 2278 Palazza Dr. Email-debcinco@gmail.com.

I want to remind those of you who receive your newsletter at your northern address: please notify me when you come back to FL. Some of you are also out of stamps. Thanks.

VOLUNTEERS NEEDED

We need you! We are in need of a volunteer to chair Thanksgiving dinner. You would have lots of help, it just needs someone to coordinate it. If you're interested, contact anyone on the Activities committee. We also need people to sign up to do the coffee hours. There is a list of open dates in the clubhouse. Check it out and write your name in an empty slot. If you have questions, we are here for you. The time for the Christmas party will be here before you know it. If you'd like to put together a Christmas gathering, let one of the Activity people know. You might have an idea that would be a huge hit! Activities that you chair can be almost anything that fits into the budget.

INFORMATION

If you are looking for information about activities in the Park, check out the calendar in the back of the Gondolier, on the bulletin board at the clubhouse, and on channel 1 of Fiber Now TV. You might also get a communication from the office in the form of an email or text letting you know of an upcoming event.

SUBMISSIONS FOR THE GONDOLIER

If you have anything you'd like to share with people in the Park, you can submit it to me and I'll do my best to get it printed. If you see a good photo opportunity, click away and email it to me. Submissions for the December Gondolier should be in by November 18. Send them to me at gmgondolier@gmail.com. If you can't email, send it to me in a text and I'll get it. My number is (260) 246-3551.

NEW NEIGHBORS

Over the past few years, we have gained quite a lot of new neighbors. Let's all reach out and welcome them and make them feel included in the activities. Invite your neighbor to join you at coffee, encourage them to play cards and games with you or go to Bingo or Bible study. After all, who doesn't need some new friends and you might be offering a hand so someone might feel more comfortable.

LIBRARY

We need your input! We would like to know who your favorite authors are so that when we buy new books we know we're buying what you like. Let Nancy Garrett know your preferences.

We'd also love it if you are clearing out your bookshelves, if you would consider donating your books to our library. It helps keep the reading fresh and keeps our costs down. If you have books to donate, just bring them to the clubhouse and leave them in the box. They will be much appreciated!

Over the years, we have had some activities that don't really need a monetary component, or even necessarily a chair person. If you want to organize a day of Corn Hole for example, just put it out there on VPE Neighbors Helping Neighbors and ask people to join you. Another example, if you want a drum circle, gather some friends and bring your drums, let it be known and I bet you get a good response. As long as it doesn't interfere with another planned activity, you can do it. Sometimes spur of the moment ideas are the best!

REMEMBERING JERRY RALSTON

By Paula Neumeier

My dad Jerry passed away peacefully on Sunday, September 20. My parents were residents here for over 20 years. As soon as my parents got to VPE, my dad jumped right in and started serving on the board. He served for nine years and put his heart and soul into working to make VPE a great place to live. He was instrumental in making many improvements here in the Park. My dad was a Christian first, a family man second, and a friend and neighbor to everyone he met. One of my dad's favorite things to do here at VPE was to play poker and he tried to never miss a game. Now that my dad and Irv have passed, several people have said that now there are enough VPE people in heaven to have a good game of poker. Dad, I hope you're raking in those chips. My dad loved and thrived on helping people so whenever anyone here in the park called with a problem he was Johnny on the spot and always did his best to help. For many of you, my dad was the first person you met here at VPE. He always encouraged new people to come to the coffees and join in the many activities we have here, he always tried to include everyone. My dad was one of the most patriotic people you could ever meet. He had a framed copy of the music to God Bless America hanging on the wall above his dresser. He loved this country and he taught us to do so as well. For my dad's 90th birthday party up at the clubhouse, he asked if we could sing God Bless America instead of Happy Birthday and everyone obliged. My dad was known for his ready smile, his quick wit, his kindness, and his love of people. Our gratitude goes out to those of you who prayed for our family, sent cards and expressed your condolences on Facebook. We feel blessed to know that my dad was so loved here!
